

## HIGH-QUALITY ACT INSTRUCTIONAL RESOURCES

## DATA-DRIVEN INSTRUCTION AND PROGRESS MONITORING TOOLS

Each of our partner districts receives a completely **customized, data-based** scope and sequence for maximum impact with their specific student population, **daily progress monitoring** tools for teachers to evaluate student skill level (in terms of **proficiency and growth**) and **weekly reports** for administrators to identify individual and school learning gaps.

### IMPACT SPOTLIGHT

#### Maui High School

Students at Maui High School who used the software as instructed achieved score improvements of **2.12 points** in English over twenty-two school weeks. This equates to **4.55x** the return on instruction per week as compared to the US national average.

"I got two emails yesterday from students, that without ChalkTalk they would've been **lost**- they were very very **thankful**."

Maui High School Teacher
