

Boost Student Achievement with Hawaii Educational Resource Expert's PLI Tutoring Solution

Overview:

Research shows that students who receive tutoring experience 3 to 15 months of accelerated learning across all grade levels. H.E.R.E.'s Proximity Learning solution offers comprehensive, live-streamed tutoring services, ensuring students attain their full potential without geographical or time constraints.

Features

Synchronous Virtual Tutoring

Through H.E.R.E.'s Proximity Learning solution, students can engage in real-time with live certified teachers across core subjects, enjoying a synchronous learning experience that bridges gaps and builds confidence.

Customizable Scheduling & Flexibility

Our program caters to the unique needs of every school. With the added advantage of tutoring from different locations, including home, we remove common barriers like transportation challenges for rural students. Students no longer need to stay after school; they can seamlessly integrate tutoring into their daily routines.

Data-Driven Instruction

H.E.R.E.'s Proximity Learning solution harnesses the power of data-driven instruction. Pre- and post-assessments measure student growth and inform targeted instruction, ensuring continuous progress and addressing individual needs.

Connect Your Students with Content-Certified Tutors:

- Livestreamed, certified teachers.
- Innovative methodology for maximum engagement.
- Comprehensive expertise across subjects.
- Addressing core and elective subjects.
- Kaiapuni Tutoring Available 'Ōlelo Hawai'i.
- Tutors reinforce in-class learning priorities.
- Available for all school levels.

Integrated Communication for Enhanced Learning Outcomes

A pivotal element of H.E.R.E.'s solution is the robust communication between tutors, schools, and parents. This ecosystem:

- 🕒 **Works as Partners:** Aligning everyone involved for a unified educational goal.
- 🕒 **Extends Learning:** Insights from tutors serve to enhance the broader educational experience.
- 🕒 **Ensures Cohesive Learning:** Maintaining consistency between in-class and tutoring sessions.
- 🕒 **Facilitates Two-Way Communication:** Tutors and teachers collaboratively focus on a student's progress and needs.

Tutor Certification and Experience:

All H.E.R.E.'s Proximity Learning tutors are certified, experienced, and adept at delivering impactful live-streamed instruction.
